Update on COVID-19 Vigilance Measures

Dear Members,

Pursuant to the Government's latest announcement, the Club will be taking the following precautionary measures with effect from Thursday, 4 February until further notice:

- Recreational Facilities:
 - Specified outdoor sports premises may open subject to relevant restrictions and requirements, including tennis courts and golf driving range.
- Restaurants:
 - During the period from 12 February to 18 February, each membership can only book a maximum of 3 tables at a time.
 - Dine-in services till 5:59pm.
 - No more than 2 people allowed per table.
 - Not accommodate more than 50% of the seating capacity.
- The Club will be closed at 9:00pm daily.

The Club will continue to closely monitor the epidemic situation and review the various measures as required.

Other vigilance measures implemented previously such as temperature screening, wearing of face masks (except when consuming food or drink) and maintaining social distancing at least 1.5 metre apart from others are still in place. Members are reminded to register and fill out a Travel and Health Declaration Form for their guests in advance.

The Management has been directed to enforce all precautionary measures strictly and to take necessary disciplinary measures against non-compliance. Any member found not to be abiding by these restrictions that are for the benefit of our membership and staff, will be called to the General Committee for review. We do apologise for any inconvenience these precautionary measures may cause.

Yours sincerely,
